

## Perry & MaryAnn Jordan

### The Jordan Gospel Ministry

#### Sarasota, FL

The Jordan Gospel Ministry began in 1976. MaryAnn, Perry and volunteers make over 100 visits to 25 to 30 prisons each year. Besides taking music and ministry, they host C-Day, Cookies and Christ. That started in 1978, with 7,000 cookies given to inmates in the Florida prison system.

The Jordan's report "C-Day 2003 was one of the greatest ever....We saw God move when 102,353 Cookies of Love and thousands of "Cards of Love" went into 31 institutions during December '03. And this year the greatest of all miracles was the 1,507 souls who made decisions for Christ."

All who commit their lives are followed up during the year by those in the Jordan ministry. Trained volunteers also hold weekend seminars in prisons.
